**Important Communication No. 01/2024**

Vide important communication No.1/2023 dated 18-10-2023, the Chairman, under proviso to Rule 21(2) of the Cinematograph (Certification) Rules, 1983 allowed the application and certification of Hindi dubbed films at the respective regions where the original versions are certified, for a trial period of 6 months from 20-10-2023.

In light of the workload assessed, and the effective certification process of Hindi dubbed films across all regional offices observed during the trial period, the Chairman has directed that the aforementioned practice be extended for an additional period of six months, or until further orders.

To facilitate the application process for applicants and filmmakers, the e-Cinepramaan portal has been updated with necessary provisions and enhancements, enabling the applicants to directly apply to the respective regional offices where the original versions are certified, subject to extant norms that define the location of the Producer's association/council/chamber, etc. where the film-title was registered, as well as the location of the Head Office/production office of the film (producing) company.

This issues with the approval of the Chairman, CBFC.
